

ProTag Systems

The Professional Choice in AS/NZS3760 Testing, Tag Printing and Asset Management Systems

ProTag Systems have been servicing the needs of Australian industry, education and government since 1991. The core of ProTag Systems, Seaward appliance testers, range from manual solutions for low volume applications through to high volume systems used by most of Australia's testing and tagging service providers, as well as heavy industry, mining, education and government sectors.

Seaward PrimeTest 125 EL

Best value appliance tester with power up/leakage test

- Simple 3 button operation
- Class I, Class II, Leakage & lead tests
- Battery powered
- Handheld form factor

ONLY \$599 ex GST
